CERTIFIED PRODUCT DATA SHEET

To be completed for EACH raw material supplied to Shurtape Technologies, LLC

Vendor Name:	Date:
Vendor Address:	
Vendor Product Name or Description:	
Person Preparing this CPDS (Name and Phone Number):	
SIGNATURE:	

Provide the following information for the referenced raw material:

			Indicate Method Used to Obtain Data
A. Density:		Units:	
B. Total Volatiles:		Weight Percent	
C. Water Content:		Weight Percent	
D. Organic Volatiles:		Weight Percent	
E. Other Volatiles:		Weight Percent	
F. Solids Content:		Weight Percent	
G. Total HAP Content:		Weight Percent	
H. Volatile HAP Content:		Weight Percent	

I. Are all of ingredients in this material include on the following lists (Circle "Yes" or "No"):

US TSCA List	Canadian DSL	European EINECS/ELINCS
Yes No	Yes No	Yes No
If exempt from any of the above lists, explain why:		

J. **Below, report ANY known concentration of each substance included in any category.**
Contact Mark Hawes or Jerry Eplin at 828-322-2700 for additional information concerning these regulatory lists, if needed. **Links** to the categories are included in the Product Stewardship section of the Shurtape website (www.shurtape.com) and in the CPDS Instructions.

Regulatory Category (see links for details)

Substance	CAS Number	Impurity or Intentionally Added?	Weight Percent	TAP	SARA 302	SARA 313	PROP. 65	JIG -101	REACH – SVHC's	Please Indicate the Method Used to Obtain Data[2]

NOTES:

(1) For each substance that you list, indicate which regulatory categories cover the substance by placing an "X" in the appropriate column. If an "X" is not placed in a column, then you are thereby certifying that the substance is not covered by that category. If any regulatory category column contains no "X", then you are certifying that there are no known concentrations of covered substances in the product.

(2) Please indicate the method used to obtain the Weight Percent, or, indicate that the data represents Theoretical Formulation.
