

HEAVY DUTY

CARTON SEALING TAPE

HP 800

The toughest, thickest packaging tape you've ever seen.

HP 800 is a super-tough hot melt polyester carton sealing tape. It has been specially designed for use in heavy duty applications such as packing military supplies, high value electronic components, as well as sealing hazardous materials and chemicals.

Our carton sealing tape is the strongest, thickest packaging tape available. The high tack adhesion to corrugate and high abrasion resistance ensures that your boxes will remain closed during the most rigorous handling conditions.

- > 2 mil polyester tear resistant film lasts the life of the box
- > Ideal for double & triple wall carton seals
- > High tack, aggressive adhesive for better initial bond
- > Meets ASTM D5486 type II & other government specs
