

PRODUCTION GRADE

HOT MELT PACKAGING TAPE

HP 200

Our premium HP Carton Sealing Tape is developed for superior performance.

> Versatility

Shurtape HP 200 is developed for superior performance in automated or manual industrial carton sealing applications. Hand rolls feature Shurtape TR20 release formular for consistent unwind and ease of use. Designed also to perform in miscellaneous packaging, holding and repair applications.

> Strength

Intended for light duty caton sealing, bundling, and repairing of cartons, paper and film bags in normal manufacturing and shipping conditions. Like all of our HP Series Carton Sealing Tapes, HP 200 is constructed of biaxally-oriented polypropylene (BOPP) film, with a propietary hot melt adhesive for unequaled holding power. When you seal a carton with HP, the carton stays closed. Every time.

> Consistency

From manual applications to automated packaging lines, HP 200 releases smoothly off the roll and delivers consistent tension. Also developed with a tough, aggressive and consistent case sealing performance and high holding power on corrugated cartons.

PRODUCTION GRADE

HOT MELT PACKAGING TAPE

HP 200

Production Grade Packaging Tape for:

- Manual or automated case sealing
- Packaging, bundling, and repairing cartons, paper bags, and film bags
- Improved security
- Aggressive, reliable performance

Holding Power to Fiberboard	15,000 minutes
Tensile (longitudinal)	27 lbs/in width
Tensile (transverse)	44 lbs/in width
Adhesion to Stainless Steel	44 oz/in width
Thickness	1.9 mils
Elongation	130 %
Service Temperature Range	20° to 100° F

Color Options:

Clear (CLR)

Tan (TAN)

Black (BLK)

Red (RED)

White (WHI)

Blue (BLU)

Green (GRN)

Orange (ORG)

Yellow (YEL)
